Instructions

The information on the ingredients of the food is based on the information that we get from the manufacturers and suppliers of various food ingredients. Because the manufacturer rarely a product produced, it can never be entirely ruled out that shares are included from unlisted content materials in the products.

Furthermore it brings artisanal processing and treatment of food in kitchens with that in the reunification of the various food components inadvertent mix-can occur and connected to the junction, the transition low quantities of other materials, the allergies and intolerances may trigger.

For this reason, Allergy/note inside that offered in the Food beside the marked even more allergenic ingredients may be included.

we use iodized table salt

we do not use eggs from chickens caged

potatoes

from the region for the region

Dairy products

We are certified bio - control body DE-Öko-039
