## Please notice

Regarding the ingredients of our dishes, we have to rely on the information from our suppliers. Manufacturers mostly produce multiple different products, which is why we cannot guarantee that our dishes contain no trace elements at all.

Furthermore, it is possible that the components get mixed up while we process them, which could cause smallest amounts of allergenic substances in various dishes.

For this reason, allergy sufferers need to consider that our offered dishes possibly could contain more allergenic substances than labelled.

We use iodized table salt

Our dairy products come from local dairy farmer Große Kintrup

We offer regional potatoes from Münsterland Knolle
